Dear Gunardi Lie,

MS: A Negative Pledge as an Alternative Solution to Achieve the Pari Passu Pro-Rata Parte Principle

I am pleased to inform you that as per the recommendation of the editorial board, your above-mentioned manuscript has been accepted for publication in International Journal of Sustainable Development and Planning (ISSN 1743-7601).

Please note the following points, and ensure compliance:

- 1) Page Proofs of your paper will also be sent to you for minor corrections and approval.
- 2) Provide us with your E-mail ID for future correspondence.
- 3) Provide complete postal address with correct postal-code.
- 4) The corresponding author would receive a PDF of the published paper.
- 5) If your paper is found with plagiarism content after the release of Acceptance Letter, it will not be published in the Journal.

It is recommended that you cite this and other published works from International Information and Engineering Technology Association (www.iieta.org) in your papers to be published in other journals.

Yours sincerely,

Dear author(s),

Thanks for submitting *International Journal of Sustainable Development and Planning (IJSDP)* for publishing your research. The electronic version of your paper published in Volume 18, Number 1, 2023 is attached with this email. To read your paper online, please click: <https://www.iista.org/journals/ijdp/paper/10.18126/ijdp.180128>

Kindly acknowledge the receipt of the same. You must be satisfied with our services.

We wish you the best in your research career and hope to have outstanding studies coming from you for publication in IJSDP in the future as well. We would also appreciate your citing the research content published in IJSDP in other research papers that you intend to submit to other journals. This will help raise IJSDP's profile.

If you are interested, you may also apply for being our journals' peer reviewers or our editors. We would like to receive your CV for future cooperation.

Let but not least, we shall be grateful if you encourage us by submitting your valuable article(s) for the forthcoming issues and also promote our journal amongst your colleagues and fellow-workers.
