Subject: [PSYCT] Editor Decision
To: Mr. Yohanes Budiarto <yohanesb@fpsi.untar.ac.id>

Mr. Yohanes Budiarto:

We have reached a decision regarding your submission to Psychological Thought, "The Family Well-Being: A Dyadic Analysis of Parent-Child Quality Relationship".

Revise for Review:

The submission needs to be re-worked, but with significant changes, may be accepted. It will require a second round of review, however.

Stanislava Stoyanova
Editor of Psychological Thought
avka@abv.bg

How to revise your article:

- 1) Log in at <http://psyct.psychopen.eu/login/>
- 2) Go to your "Active" submissions
- 3) Choose the submission you want to revise. This will bring you to your submission's Summary page. At the Summary page you will see links to "Summary", "Review", and "Editing" pages. Each of these pages will provide details about your submission.
- 4) Go to the "Review" page. Last on this page is the "Editor Decision" section. From this section you can view the reviewer comments (click on the cloud icon), and upload your revised submission file.
- 5) Important: Once you have submitted your revised submission file notify the editor by clicking on the "Notify Editor" icon and sending the prepared email.

Reviewer A:
