Dear Editor
of AIJS

Herewith I would like to submit a revised article (**attached in this below by word & pdf**) that has more proof read in English. In addition, I would also like to inform you that for publication, it is indeed for editions after January 2022, considering that the deadline for payment for publication has already passed. I would like to take this opportunity to state whether these costs can be reduced given the limited funding that I and other member writers experience. That's all I can say and thank you in advance.
