Dear Dear Dr. Shirly Gunawan,

Good day. Thank you for your submission of the manuscript "**Efficacy and Safety of Undenatured Type II Collagen in the Treatment of Osteoarthritis of the Knee: A Randomized, Double-blind, Placebo-controlled Trial in Jakarta**". Your manuscript has been coded as **M2023089**, please note this code for your reference to communicate with us regarding this manuscript in the future.

Before your manuscript is sent to our reviewers, it has been initially checked and we find that it needs some revisions, especially since the plagiarism rate is quite high (42%). For a detailed list of corrections, you can find it in the manuscript attached, please see the comments tab.

Please send us an email of your corrected manuscript before **April 10, 2023** so that we can proceed with the peer-reviewing process. Do not forget **mark/highlight the revised part of the manuscript**, so that the editor will notice the changes.

If you have any questions, do not hesitate to contact us. Thank you. Please let us know if you have any questions. We wish you a nice day.

Dear Dr. Shirly Gunawan,

Good day. We have reached a decision regarding your submission to The Indonesian Biomedical Journal, "**Efficity and Safety of Undenatured Type II Collagen in The Treatment of Osteoarthritis of The Knee: A Randomized, Double-Blind, Placebo-Controlled Trial in Jakarta**".

Our decision is: **Resubmit for Review.**

Thank you for your revision in the previous round. However, after rechecking it, we found that this manuscript still **needs major revision**. The main concern is that this manuscript needs revision in the order of sub-sections in the Methods and Results sections.

Find the manuscript and the Response Form attached for detailed information. Make sure that you address or revise all the questions given. You are also obligated to fill the attached Response Form for Reviewer's Comments with your response or the answer to the questions/comments.

Please revise this manuscript according to the suggestions before **June 9, 2023**. Mark/highlighted the revised part of the manuscript, as well as fill the response form, so that the editor will notice the changes.

When you are done, you can upload it in: <https://inabj.org/index.php/ibj/author/submissionReview/2248>, or simply send us an email.

Please let us know when you have received this email. If you have any questions, do not hesitate to contact us. Thank you for your attention. We wish you a nice day.

Dear Dr. Shirly Gunawan,

We have reached a decision regarding your submission to The Indonesian Biomedical Journal, "**Efficacy and Safety of Undenatured Type II Collagen in The Treatment of Osteoarthritis of The Knee: A Randomized, Double-Blind, Placebo-Controlled Trial in Jakarta**".

Our decision is: **Revisions Required.**

Thank you for your revision in the second round of review. However, this manuscript still needs some confirmation before it can be published, as follows:

1. Editor has done some editorial alterations to the manuscript, especially in the Methods and Results section. Please check it and confirm whether you agree with the alteration or not.
2. In the sub-section of "Measurement of Liver and Kidney Function, Hematology, and Glucose", eventhough you have mentioned that the blood and urine samples were analyzed in Bio Medika Laboratory, however it is necessary to inform the kit and equipment used for the liver function and hematology test, as well as the methods used for the routine hematology test.

Please find the manuscript attached and revise this manuscript according to the suggestions before **June 16, 2023**. Mark/highlighted the revised part of the manuscript, so that the editor will notice the changes.

When you are done, you can upload it in: <https://inabj.org/index.php/ibj/author/submissionReview/2248>, or simply send us an email.

Please let us know when you have received this email. If you have any questions, do not hesitate to contact us. Thank you for your attention. We wish you a nice day.

Dear Dr. Shirly Gunawan,

Herein we attached the revised certificate for the authors. We changed the following issues:

1. Co author's name from "Fia" to "Fia Fia Lie"
2. The deletion of "in Jakarta" in the title, since the title in the final draft is "Efficacy and Safety of Undenatured Type II Collagen in The Treatment of Osteoarthritis of The Knee: A Randomized, Double-blind, Placebo-controlled Trial"

Hopefully you can find it well. Thank you for your cooperation.
