SCOPE

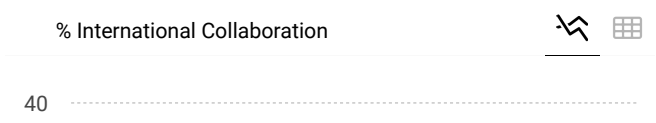

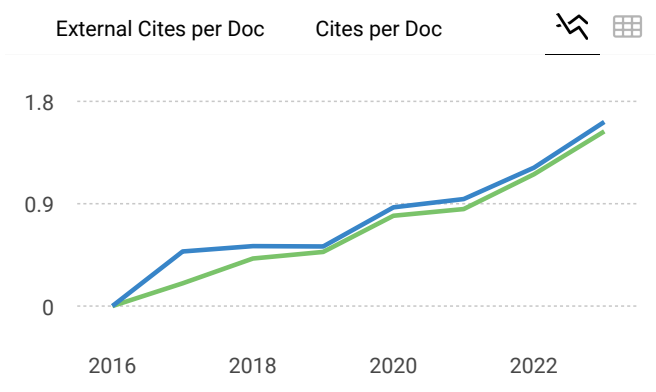

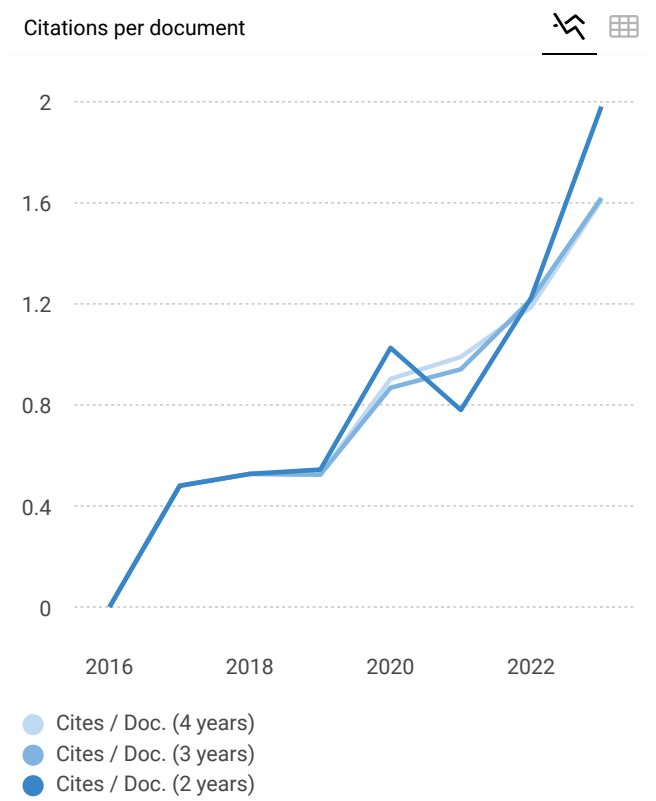

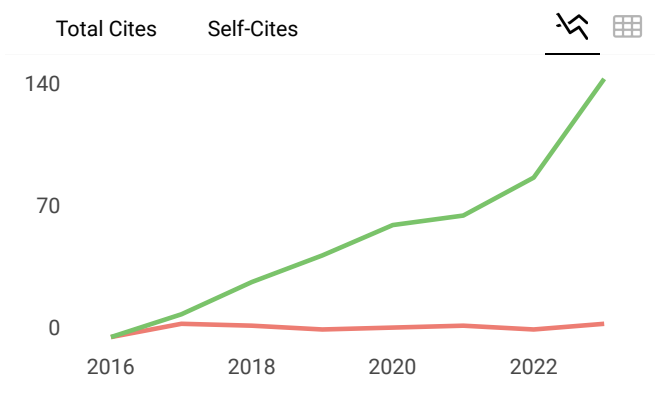

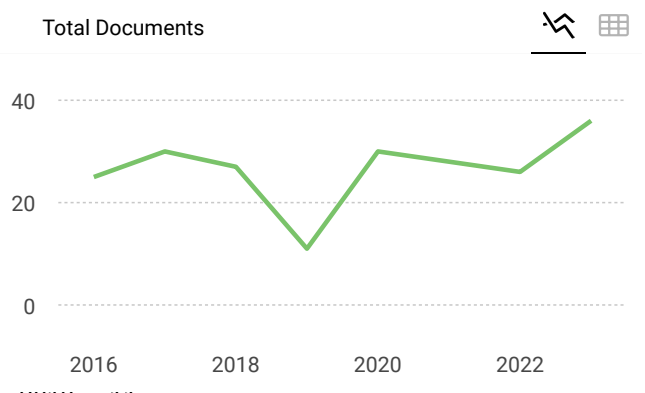

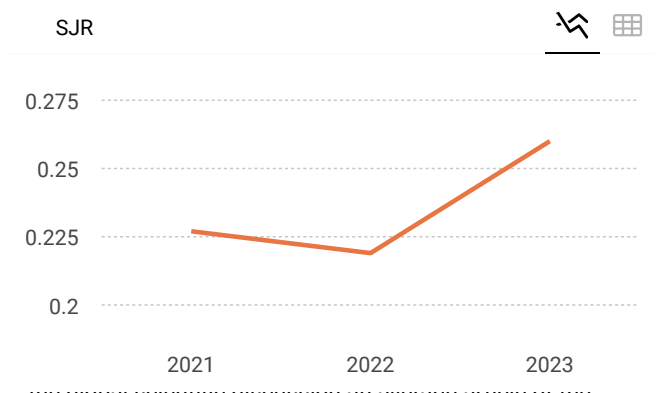

Central European Management Journal (CEMJ) publishes peer-reviewed research that focuses on all aspects of management, covering all from the nature of management itself to the impact management has within organisations. Articles may be interdisciplinary, as authors may base their studies of management within fields such as economics, law, psychology, literature, and sociology. CEMJ aims to, through its published research, facilitate a better understanding of both the essence of management and of research cooperation within the academic community, to thus have a positive influence on the world of management sciences. The journal welcomes international submissions management that are theoretical and/or empirical in nature. The title covers but is not limited to the following areas of management: Human resource management, Theory of organisation, Psychology of management, Gender in management and entrepreneurship, Strategic management, Corporate order, Managerial economy, Accounting, Finance, Leadership

Why didn't Scopus revoke the permission or the Scopus index for the journal? Central European Management Journal (CEMJ) | ISSN:2336-2693 | E-ISSN:2336-4890, Because there have been many writers who have been deceived. If contacted, all emails and editor contacts are missing, all are not detected, this is clearly a fraud, cook published articles with thousands of pages published once. examples of these editions and volumes https://journals.kozminski.cems-j.com/index.php/pl_cemj/issue/view/32.html.

Dear Risdo,

Thank you for contacting us.

We are sorry to tell you that SCImago Journal & Country Rank is not a journal. SJR is a portal with scientometric indicators of journals indexed in Elsevier/Scopus.

We suggest you visit the journal's homepage or contact the journal's editorial staff , so they could inform you more deeply.

Best Regards, SCImago Team
